OVERVIEW

The Genuine TEMPbadge 08178 is a reusable laminated badge back printed VISITOR on a red background, 4 x 3 inches, sold in a pack of 200 (part number 08178). How it works Print or write a non-expiring adhesive badge, stick it to the laminated front of this back, and clip the back to the visitor. At the end of the visit the badge peels off cleanly, so the same back is issued again to the next visitor. It gives adhesive badges a clip-on holder for visitors who cannot or prefer not to stick a badge to their clothing.

KEY FEATURES

- **Format:** Reusable laminated badge back printed VISITOR on red, 4 x 3 inches, pack of 200. High-visibility banner readable from a distance; adhesive badges peel off cleanly so the same back is used again and again.
- **Expiration:** None. The back has no timer and is not part of the expiring system; use it with non-expiring badges.
- **Pairs with:** Non-expiring adhesive visitor badges that fit a 3 x 2 inch face, such as the 0408X printable badges and the 05806 write-on VISITOR badge, plus a badge clip, strap clip or lanyard.
- **Attachment:** Clip-on, slotted; also works with lanyards and neck chains; nothing sticks to clothing.
