OVERVIEW

The EK USA Credential Holder Plus (10028) is EK's top selling credential holder. It is a 100% nylon breakaway lanyard with a detachable split key ring. The key ring snaps on and off via a side-release buckle, so you can remove credentials, keys, or accessories independently without taking the lanyard off. A great FME solution for outdoor, industrial, and high-security environments.

KEY FEATURES

- **Detachable Split Key Ring:** Side-release buckle lets you attach and remove credentials, keys, or accessories independently.
- **EK's Top Selling Credential Holder:** Multi-use design for credentials, outdoor accessories, and security passes. A great FME solution.
- **100% Nylon Construction:** Rugged and durable for everyday wear.
- **Breakaway Safety:** Connector at the back of the neck snaps apart under force to prevent injury. Pushes back together.
