OVERVIEW

The EK USA 10230 is a 100% nylon breakaway lanyard with two detachable attachments: a J-hook for connecting an ID badge holder or badge reel, and a metal key ring for keys or accessories. Both attachments snap on and off independently, so you can detach either one as needed and snap it back on when done. The lanyard is 19" (482mm). A breakaway connector at the back of the neck snaps apart under force to prevent injury and pushes back together.

KEY FEATURES

- **Two Detachable Attachments:** J-hook for an ID badge holder or badge reel, and a metal key ring for keys or accessories. Each snaps on and off independently.
- **Breakaway Safety:** Connector at the back of the neck snaps apart under force to prevent injury. Pushes back together.
- **19" (482mm) 5mm Nylon Cord:** 100% nylon construction.
- **Cord Lock:** Sits below the breakaway for cord management and length adjustment.
