OVERVIEW

The EK USA 10329 is a 5mm nylon breakaway lanyard with a metal bulldog clip. The clip attaches through the slot of any standard slot-punched ID badge or badge holder for a secure, firm grip. Available in black and royal blue. The lanyard rests just below the chest for clear credential visibility throughout the day.

KEY FEATURES

- **Metal Bulldog Clip:** Attaches through the slot of any standard slot-punched ID badge or badge holder. Secure firm grip.
- **5mm 100% Nylon Cord:** Durable braided construction. Available in black and royal blue.
- **Breakaway Safety:** Connector at the back of the neck snaps apart under force to prevent injury. Pushes back together.
- **Clear Credential Visibility:** Lanyard rests just below the chest for easy access and display.
