

KEY-BAK #1101 Quick Release Pull-Apart Key Ring

Key-Bak | Key Ring | SKU 1101

Part number	1101
Brand	Key-Bak
Category	Key Ring
Weight	1.3 oz
Customizable	No

OVERVIEW

The KEY-BAK #1101 quick release key ring uses a black rectangular side-slide connector with two metal split rings, one on each end. Pull it apart to separate car keys, house keys, work keys, valet keys, fobs, or small tools without removing the whole key set. The rectangular quick release measures 3 inches from split ring to split ring. The included nickel-plated tempered steel split rings measure 0.875 inch and return to shape after expansion.

KEY FEATURES

- **Quick Key Separation:** Side-slide pull-apart connector separates one set of keys from another without removing rings.
- **Two Split Rings Included:** Nickel-plated tempered steel 0.875 inch split rings attach car, house, work, valet, or fob keys.
- **3 Inch Rectangular Holder:** Black-plated brass quick-release holder measures 3 inches from split ring to split ring.
- **Daily Key Organization:** Keep vehicle, building, office, tool, or shared-use keys grouped and easy to detach.
