OVERVIEW

This PureClear™ vertical badge holder (1815-1124) is made with clear EVA (ethylene vinyl acetate) material, the more ECO-friendly alternative to PVC since it uses less harmful chemicals. It is BPA and Phthalate Free. The clear holder allows for great visibility of any credit card size photo ID card, making it ideal for any workplace. Your photo ID badge slides in from the top opening and with the slot punch hole and chain hole options, you can easily attach your favorite lanyard, badge reel or vinyl strap clip for wear.
