OVERVIEW

The 1840-6400 badge holder has two red slides allowing you to easily remove your cards after they are inserted into the holder. The cards lock securely into the holder and then can be independently removed by simply moving the slides to the side. Once the cards are in the holder they stay securely in place and are protected by the strong plastic casing. This holder is designed to hold either one or two standard credit card sized badges (2 1/8" X 3 3/8" or 54 X 86mm).
