OVERVIEW

Our lightly frosted vertical card holder with red extractor slide makes it easy to securely store and retrieve your ID badge. Just load your card in from the top of the rigid holder and your ID badge fits tightly into place. When you need access to your card, whether it be to clock in, open a door, or access a computer terminal, the card dispenser makes it a hassle-free experience. This badge holder is designed to hold one 30 mil (750 mic) standard credit card sized ID badge.

KEY FEATURES

- **Format:** Vertical rigid holder with a 3 3/8" x 2 1/8" (86 x 54 mm) insert size for one 30 mil ID badge.
- **Card access:** Loads from the top; the badge clicks into place and the red extractor slide ejects it for easy removal.
- **Material:** GSA approved polycarbonate plastic with a lightly frosted, glare-reducing finish that stays easy to see through.
- **Attachment:** Plastic slot on the back accepts any standard ID strap clip or lanyard.
