OVERVIEW

This mylar strap clip features a longer 3-1/2" (89mm) strap — ideal when the standard length won't fit through multiple cards or thicker badge holders. The ribbed-face clip provides an easy, textured grip for quick attachment to clothing, belts, and bags. Mylar construction offers enhanced durability over standard vinyl, holding up better in demanding environments. The single-hole clip design keeps attachment simple and secure, making this a reliable choice for healthcare, events, warehouses, and corporate badge programs.
