OVERVIEW

This 1-1/4" (32 mm) round badge reel with a flashy silver metallic sticker and belt clip is a stylish alternative for professionals that prefer to reel their slot punched photo ID cards, badge holders or keys from their belt. Although the 3/4" (19 mm) silver metallic colored sticker is purely for aesthetic purposes, it adds a modern look to the cool color variety of badge reel options we have to choose from. To use, simply clip your items through the reinforced vinyl strap and then attach the sturdy slide belt clip along your belt or the edge of your pants for easy access and a tight grip that won't accidentally slide off. After use, the reel will retract back into itself and remain conveniently by your side.
