OVERVIEW

The 2135-461X is a 1/4" round breakaway lanyard for carrying keys, ID badge holders, access cards, USB drives, and small tools. The 36" neck cord uses a slim round profile with an adjustable round slider, letting the wearer set the badge or key position higher or lower on the chest. A breakaway connector at the neck is designed to separate at the connection point under tension. The lower end has a detachable split ring, so keys or attached credentials can be removed from the neck strap without taking off the full lanyard.

KEY FEATURES

- **1/4" Round Cord:** Slim 36" neck lanyard with a lightweight round profile for badge, key, or small tool carry.
- **Breakaway Neck Connector:** Connection point is designed to separate under tension.
- **Detachable Split Ring:** Lower attachment removes from the neck strap for keys, badge holders, fobs, and access cards.
- **4 Color Options:** Red (2135-4616), Black (2135-4613), Navy Blue (2135-4615), Royal Blue (2135-4614).
