OVERVIEW

The wide 5/8" design of these lanyards will add to any professional uniform, and the split ring attachment is great for attaching keys or other badge holders. Made from high quality MicroWeave flat ribbed polyester, this lanyard has been designed for daily professional use and measures 36" (914 mm). Simply attach your standard belt clip badge reel to the key ring and you instantly have a lanyard and badge reel combo that will display your badge and also allow you to easily swipe, badge, or tap yourself in at any access point or card reader.

KEY FEATURES

- **Width:** 5/8" (16 mm) wide, flat ribbed MicroWeave polyester webbing.
- **Length:** 36" (914 mm).
- **Breakaway:** Non-breakaway construction.
- **End Fitting:** Nickel-plated steel split ring for keys, badge reels or a key ring badge adapter.
