OVERVIEW

Add a key ring to our popular 3/8" breakaway lanyard and it's a killer combo. 3/8" wide lanyards are popular because they are cost effective, comfortable and still wide enough to show off team colors, departments or school pride. The breakaway feature lets the lanyard snap apart if it comes under too much pressure by being caught or pulled. The lanyard has a universal slide adapter, and the split ring lets you attach keys, badge holders, or other clips and keep your items handy and visible.
