|                                                                                   | Country of origin | China                                        |

## OVERVIEW

Our 5/8" (16 mm) wide lanyard allows for great color coding for quick identification or to show school and team colors. The nickel-plated steel split ring works great for attaching keys, or an ID badge directly or with one of our ID to key ring adapters. The safety breakaway feature makes this lanyard snap apart, and snap back together, if it is caught or pulled. The flat ribbed polyester is comfortable and light weight, and with a 36" (914 mm) cut length prior to assembly this lanyard is perfect for displaying your credentials.

## KEY FEATURES

- **Width:** 5/8" (16 mm) wide, flat ribbed MicroWeave polyester webbing.
- **Length:** 36" (914 mm) cut length prior to assembly.
- **Breakaway:** Safety breakaway snaps apart if the lanyard is caught or pulled, and snaps back together for continued use.
- **End Fitting:** Nickel-plated steel split ring with a universal slide adapter, for keys or an ID badge.
