	Minimum order	100
	Country of origin	China

OVERVIEW

The 2138-5304 is a 5/8" breakaway lanyard printed with a USA flag pattern using dye-sublimation on UltraWeave polyester. The dye-sub process bonds the flag design directly into the fabric for a crisp, color-fast print that does not peel, crack, or fade with repeated use. A white safety breakaway at the neck releases under pressure to prevent injury in environments where snagging is a risk. The lobster hook attachment clips to standard badge holders and badge reels.

KEY FEATURES

- **Dye-Sublimation USA Flag Print:** Full-color flag design bonded into UltraWeave polyester. Does not peel, crack, or fade with regular use.
- **Safety Breakaway at Neck:** Releases under pressure to prevent injury. Meets standard safety requirements for healthcare and institutional environments.
- **Lobster Hook Attachment:** Clips to standard badge holders and badge reels.
- **5/8" Width, 36" Length:** Industry-standard sizing compatible with a wide range of badge accessories.
