OVERVIEW

The 2140-580X is a round braid lanyard with two metal J-hooks, one at each end. The dual-hook design holds badge holders from two attachment points, keeping credentials facing forward and preventing flipping during active movement. The round braid sits comfortably at 36" total circumference, positioning badges at chest height for easy visibility and scanning. A go-to credential lanyard for professional sports teams, athletic conferences, university event programs and large venue operators.

KEY FEATURES

- **Two Metal J-Hook Clips:** One fixed J-hook at each end. Attaches to slot-punched badge holders from two points and prevents credential flipping during movement.
- **Round Braid Construction:** 36" total circumference. Comfortable around the neck, positions credentials at chest height for easy visibility.
- **Bulk Event Use:** Popular with sports teams, universities, venue operators and conference organizers for large-scale credentialing programs.
- **Available in 2 Colors:** Black (2140-5801), Royal Blue (2140-5802).
