OVERVIEW

This genuine leather strap attaches securely to luggage, bag tags, and promotional items through any standard slot-punched badge holder or luggage tag. The brass-plated buckle adjusts through three reinforced holes for a snug, professional fit on handles of varying sizes. At 6 inches long and 3/8 inch wide, it is the popular upgrade from a standard plastic worm loop for a professional, executive look.

KEY FEATURES

- **Genuine Leather Construction:** Full leather strap with a clean cut edge holds its shape after repeated use and attachment cycles.
- **Adjustable Brass-Plated Buckle:** Three adjustment holes accommodate thin card holders to thick luggage handles without modification.
- **Standard Slot Punch Fit:** Threads through the slot on any standard slot-punched badge holder, ID holder, or luggage tag in our catalog.
- **The Professional Upgrade:** A simple swap from the standard plastic worm loop that gives your bag tags and luggage tags a polished, executive finish.
