OVERVIEW

The Vinyl "T" Lock Strap (P/N 2430-100X) is a semi-rigid plastic strap measuring 5 7/8" x 3/8" (149 x 9mm) that fastens a luggage tag holder or a slotted badge to a bag handle, a zipper pull or a strap. The T-shaped tab locks the strap closed. It is stocked in clear (2430-1000) and white (2430-1008). Choose a T lock strap when the tag should stay put once it is on and you want a low-profile closure with no metal to scratch a case.
