OVERVIEW

The Key-Bak heavy duty retractable carabiner with key ring and 48" cord, part number 488B-HDK, is an all purpose super size badge reel made from a virtually indestructible polycarbonate material. It is built for anyone who wants top quality and reliability while carrying about 15 keys, multiple IDs or roughly 8 oz of gear. The zinc alloy carabiner secures to belt loops, bag straps, purses and just about anything else you can hang it from. Key-Bak's patented SecureIt design keeps keys, flashlights, GPS units and small hand tools secure and handy, and the DuPont Kevlar aramid fiber cord extends up to 48" for easy access to most items.

KEY FEATURES

- **Capacity:** Heavy duty retraction force holds about 15 keys or roughly 8 oz of gear, IDs and small tools.
- **Cord:** DuPont Kevlar aramid fiber cord extends and retracts up to 48".
- **Attachment:** Zinc alloy carabiner clips to belt loops, bag straps and bags, with a key ring for keys and gear.
- **Durability:** 2" polycarbonate case, proven to last more than one million pulls; made in the USA with globally sourced materials.
