## OVERVIEW

The 505-CC-BLK is a black bungee coil keychain lanyard for swipe cards, register keys, access cards, casino cards, and small key sets. The coiled nylon cord measures 5.25" (133mm) at rest and expands from 11" to 72" (279 to 1829mm) when pulled toward a reader, lock, slot machine, or point-of-sale terminal. One end has a split key ring for attaching a card holder, slotted card, or key. The other end has a 2.5" plastic swivel trigger hook that clips to a belt loop, apron loop, purse strap, or work bag.

## KEY FEATURES

- **Expandable coil cord:** Extends from 11" to 72" (279 to 1829mm) for card readers, slot machines, locks, and point-of-sale terminals.
- **Split key ring end:** Attaches to a slotted card, card holder, register key, access card, or small key set.
- **Plastic swivel hook:** Clips to a belt loop, apron loop, purse strap, or work bag for hands-on shift work.
- **Built for active teams:** Used for casino cards, apron-worn POS cards, employee swipe cards, warehouse access, service routes, and healthcare credentials.
