OVERVIEW

The 505-SD is a clear vinyl deluxe ID badge strap clip for attaching a slotted ID card, badge holder, or credential to clothing. The 2-3/4 inch strap loops through the badge slot, while the nickel-plated steel clip grips a shirt, pocket, lapel, or other suitable garment edge. The premium difference is the larger 7/16 inch steel snap, which creates a tighter strap seal than standard economy strap clips. Use it for employee IDs, visitor badges, healthcare credentials, school IDs, event passes, and access-control programs that need a more secure snap-style badge attachment.

KEY FEATURES

- **2-3/4 inch vinyl strap:** Clear flexible strap loops through a slotted ID card or badge holder for visible badge wear.
- **Larger 7/16 inch snap:** Steel snap creates the tighter strap seal that distinguishes this deluxe clip from standard economy strap clips.
- **Nickel-plated clip:** Two-hole steel clip grips clothing for employee IDs, visitor badges, and credential programs.
- **No lanyard required:** Low-cost strap clip keeps badges close and visible without neckwear or a retractable reel.
