OVERVIEW

Our premium horizontal ID badge holder is made with thick, heavy duty vinyl, giving this item a very rugged feel. The high quality construction and reinforced edges have earned it a spot in our "Premium" product category. Although its function is almost identical to our standard vinyl badge holder, those looking for a badge holder that will withstand tougher environments will appreciate this alternative item. Designed to hold any standard credit card size ID badge, this is the perfect companion to your horizontal ID card and will work in conjunction with any of our lanyards, badge reels or even our neck chains.

KEY FEATURES
