OVERVIEW

The 506-ZHKR is a soft clear vinyl badge holder with a zipper closure and attached key ring. Cards slide in from the side and zip shut, keeping the card protected from dirt, moisture, and wear. The key ring attachment keeps a vehicle key, key fob, or access key alongside the card in a single compact holder. Automotive dealerships use this holder to issue fuel cards to staff for vehicle moves, test drives, and lot transfers.

KEY FEATURES

- **Zipper Closure:** Card slides in from the side and zips shut, protecting contents from dirt, moisture, and wear during pocket or vehicle carry.
- **Attached Key Ring:** Keeps a vehicle key, key fob, or access key alongside the card in one compact holder. Popular for dealership fuel card programs and fleet use.
- **Soft Clear Vinyl:** Flexible and pocket-friendly. Card remains fully visible through the clear front. Maximum insert size 3 1/2" x 2 1/4".
- **Multi-Card Capacity:** Accommodates fuel cards, credit cards, ID badges, and drivers licenses. Single card or multiple cards fit inside the zipper pouch.
