Country of origin	China

OVERVIEW

This adhesive magnetic badge holder, designed with two strong round magnets encased in plastic and a zinc-plated steel plate, offers a reliable solution for displaying badges without damaging clothing. Its adhesive back attaches easily to any badge or holder, transforming it into a magnetic badge for secure and effortless wear. Ideal for protecting delicate fabrics, this badge holder provides a strong hold, ensuring your identification remains in place. With dimensions of 1 1/4" x 3/8" (32 x 10mm), it's compact and unobtrusive, perfect for everyday use in any professional environment.

KEY FEATURES

- **Adhesive Backing:** Easily attaches to any badge or holder, converting it to a magnetic attachment.
- **Strong Magnets:** Features two round magnets encased in plastic and zinc-plated steel for a secure hold.
- **Safe for Clothing:** A safer alternative to pins and clips, preventing damage to delicate garments.
- **Compact Size:** Measures 1 1/4" x 3/8" (32 x 10mm) for a discreet and unobtrusive appearance.
