OVERVIEW

The 5735-3008 is a pressure-sensitive adhesive plastic clip for attaching badge holders, nameplates, and identification cards directly to flat surfaces without tools, holes, or hardware. The 1-inch (25mm) clip body includes a ribbed thumb-grip for easy one-handed attachment and release. The adhesive pad measures 15/16" x 1/2" (24 x 12.5mm) for a secure bond to smooth surfaces. The adhesive backing bonds to smooth flat surfaces including the back of badge holders, nameplates, ID card backs, and mounting panels.

KEY FEATURES

- **Peel-and-Stick Adhesive:** Pressure-sensitive adhesive pad bonds directly to smooth flat surfaces for tool-free badge and nameplate mounting.
- **Ribbed Thumb-Grip:** 1" (25mm) clip body with textured grip for easy one-handed attachment and release from clothing and surfaces.
- **All-Plastic Construction:** Lightweight, metal-free design suitable for metal-detector environments and sensitive surface applications.
- **Best For:** Healthcare, corporate, retail, and event programs needing no-drill badge and nameplate mounting on smooth surfaces.
