OVERVIEW

The AH-210 is a SkimSAFE RFID blocking 2-card ID holder for standard credit card sized credentials. It holds one card on each side, keeping both card fronts visible while helping shield compatible RFID and contactless cards when they are locked inside the holder. The rigid plastic holder helps protect cards from bending during daily use. Slot holes allow the holder to attach vertically or horizontally to lanyards, badge reels, strap clips, and other standard badge accessories.

KEY FEATURES

- **RFID blocking 2-card holder:** Holds two standard credit card sized RFID/contactless cards, one on each side.
- **Rigid card protection:** Hard plastic construction helps protect cards from bending during daily use.
- **Vertical or horizontal wear:** Slot holes allow attachment to lanyards, badge reels, strap clips, and other badge accessories.
- **Color and part number options:** Black (AH-210BLK / 153039BK), Blue (AH-210BLU / 153039BL), Clear (AH-210CL / 153039CLR).
