OVERVIEW

BadgeBottoms® put your ID badge and your role title in one vinyl holder. The vertical holder has two separate pockets: the top fits a vertical ID badge and the bottom holds a title insert, so the title sits right below the badge without a separate badge buddy. This listing is the holder only, with an empty title pocket for your own insert. For a printed title, choose a ready-made BadgeBottoms® for RN, CNA, LPN and other roles, or Custom BadgeBottoms®.
