OVERVIEW

Our clear "Physician Assistant" horizontal badge buddy with a blue color border provides instant role recognition for advanced practice providers. This added visibility helps patients, visitors, and colleagues quickly identify physician assistants in a healthcare setting, promoting confidence, safety, and efficiency. The clear, transparent badge buddy, with Physician Assistant printed on both sides, allows your ID to remain visible even if it flips over. These are especially valuable in busy hospital or clinical environments, where patients and staff need immediate clarity about each provider's role.

KEY FEATURES

- **Format:** Clear horizontal badge buddy, 3-3/32" x 3-3/8". The transparent body keeps your standard size ID visible, and the text is printed on both sides so it reads even when the badge flips over.
- **Role Recognition:** "PHYSICIAN ASSISTANT" in text with a blue border, for instant recognition by patients, visitors and colleagues.
- **Wearing:** Wears under your standard photo ID.
- **Durability:** Fully laminated, and easy to wipe clean.
