Category	Lanyard
Weight	0.4 oz
Colors	Black, Royal Blue, Purple, Green, Red
Customizable	No
Country of origin	Taiwan

OVERVIEW

Keep event badges, conference passes, event tickets, and large credentials facing forward with this double clip lanyard. The open-ended design has one metal bulldog clip on each end, so it can attach to compatible badge holders with two holes or slots, often the outer round holes on large event holders. The 3/8 inch strap is lightweight and comfortable for event, convention, seminar, school, and visitor check-in use. The 36 inch total length usually places the badge around the center chest area, and the lanyard can be shortened by tying a loose knot as shown in the product photos.

KEY FEATURES

- **Two Bulldog Clips:** Open-ended lanyard has one metal bulldog clip on each end for compatible dual-hole or dual-slot badge holders.
- **Helps Reduce Badge Flipping:** Two-point attachment helps keep event badges, conference passes, and large credentials facing forward.
- **3/8 Inch Strap:** Lightweight micro-weave strap is comfortable for conventions, seminars, school events, visitor check-in, and event staff use.
- **36 Inch Total Length:** Non-breakaway lanyard hangs around the center chest area and can be shortened with a loose knot when needed.
