Evolis | Printer Accessory | SKU S10170

Part number	S10170
Brand	Evolis
Category	Printer Accessory
Weight	1 lb
Customizable	No

OVERVIEW

Elevate your Evolis Primacy and Zenius ID card printers with the Evolis S10170 Contactless Smart Card Encoder Kit, a cutting edge solution designed to expand your card personalization capabilities. This encoder kit empowers your printers to seamlessly read and write contactless smart cards, catering to a wide array of applications such as secure access control, cashless payments, and personalized identification. ■ Installation is a breeze with the comprehensive, step-by-step instructions included in the kit, ensuring a smooth setup process. It's important to note that the encoder's mounting plate (S10112) is needed for full installation and is sold separately.

KEY FEATURES

- Compatible with Evolis Zenius and Primacy ID Card Printers
- Comes with step by step installation guide
- Allows for contactless encoding
- Upgrade allows reading and writing over Smart Cards
