Evolis S10293 Card Lamination Module (CLM) for the Avansia ID Card Printer

Evolis | Printer Accessory | SKU S10293

Part number	S10293
Brand	Evolis
Category	Printer Accessory
Weight	0 lb
Customizable	No

OVERVIEW

Printer compatibility: This lamination module is made for the Evolis Avansia retransfer ID card printer only. The Agilia uses the S10474 module and the Primacy 2 uses the S10212 module. The Evolis S10293 Card Lamination Module pairs with the Avansia to laminate one or both sides of each card with clear or holographic patches and varnishes as part of the same inline job. Lamination extends card life up to 10 years and adds a tamper-evident layer that makes credentials far harder to alter or copy.

KEY FEATURES

- **Made for the Evolis Avansia:** adds single- or dual-side card lamination to the Avansia retransfer printer.
- **10-year card life:** clear and holographic patches and varnishes protect against wear, UV, and tampering.
- **Automatic film recognition:** Evolis High Trust films configure themselves when loaded.
- **Authorized Evolis dealer:** full 3-year Evolis warranty on the module.
