OVERVIEW

The SPID-075-CLEAR is a clear rigid open-face ID badge holder for one standard credit-card-size ID, access card, or employee badge. The clear polycarbonate holder leaves the card visible while adding a rigid frame around daily-use credentials. Two attachment slots let the same holder be worn in vertical or horizontal orientation with a lanyard, badge reel, strap clip, or standard ID clip. The open-face design and thumb notch make it easier to insert or remove the card when badges need to be swapped, scanned, or checked.

KEY FEATURES

- **Single-card fit:** Holds one standard credit-card-size ID, access card, employee badge, or visitor credential.
- **Clear rigid construction:** Crystal-clear polycarbonate keeps the card visible while adding a rigid frame for daily use.
- **Open-face access:** Front opening and thumb notch make card insertion and removal easier when badges need to be swapped or checked.
- **Vertical or horizontal wear:** Dual slot holes support portrait or landscape display with lanyards, badge reels, strap clips, or ID clips.
