OVERVIEW

Black VIP lanyard for quickly identifying VIP guests, VIP attendees, and other Very Important Person access groups. The black flat lanyard has repeated bold white "VIP" text for easy recognition in concerts, conferences, venues, parties, schools, and other crowded areas. The 3/4 inch wide neck strap has a 36 inch total circumference, a safety breakaway release, and a nickel-plated steel swivel hook for attaching badge holders, photo ID badges, event passes, keys, or other small accessories with a compatible hole or ring.

KEY FEATURES

- **VIP event identification:** Black lanyard with repeated white VIP text for VIP guests, VIP attendees, and event access identification.
- **Breakaway neck strap:** Safety breakaway release helps reduce snagging risk during busy event use.
- **Swivel hook attachment:** Nickel-plated steel hook clips to badge holders, photo IDs, keys, or small accessories.
- **Flat 3/4 inch strap:** 36 inch total circumference for comfortable badge, pass, and credential display.
