OVERVIEW

The SPID-2260 is a 3/8 in double-ended lanyard, 36 in total, with a bulldog clip on each end. Clip both ends to the slot holes of a large badge or badge holder and it hangs flat at the center of the chest, facing forward, which makes it a favorite for conference, VIP, sporting event and backstage credentials. The tightly woven webbing is soft and smooth on the neck. To shorten it, tie a loose knot at the back.
