OVERVIEW

This breakaway lanyard keeps a work ID, keys, and a capped pen on one neck strap. The black 5/8 inch tubular lanyard includes a detachable buckle near the attachment point, a split key ring, a pen holder loop, and a clear vinyl badge strap. The vinyl strap loops through a slotted ID badge, badge holder, name tag, or card sleeve so the credential hangs from the same key ring assembly. The detachable buckle lets the lower attachment section separate from the neck strap when you need to hand off keys or remove the badge without taking off the lanyard.
