OVERVIEW

This blue STUDENT lanyard gives schools, campuses, visitor programs, and events a clear way to identify student credentials at a glance. Bold white STUDENT text is printed along the front and back of the lanyard for visibility from either side. The 5/8 inch wide flat lanyard has a 36 inch total circumference and includes a safety breakaway clasp that separates when pulled and reconnects for continued wear. A nickel-plated steel swivel hook attaches to slotted badge holders, ID cards, or other compatible credentials for everyday student ID display.
