OVERVIEW

Simplify your daily routine with our LVN Badge Buddy Reel, a retractable badge holder and ID label in one for displaying your hospital work badge or keeping your access card easily accessible. Built for durability and comfort, it is tested for thousands of pulls and designed to clip securely to scrubs, lab coats or any uniform. A large, easy to read 1 inch dome label lets patients recognize who you are at a glance, with no glitter, glue or messy add-ons. It replaces a separate badge reel, holder and badge buddy. LVN is the title California and Texas use for licensed vocational nurses (LPN in most other states).
