OVERVIEW

Simplify your daily routine with our RN Badge Buddy Reel, a retractable badge holder and ID label in one for displaying your hospital work badge or keeping your access card easily accessible. Built for durability and comfort, it is tested for thousands of pulls and designed to clip securely to scrubs, lab coats or any uniform. A large, easy to read 1 inch dome label lets patients recognize who you are at a glance, with no glitter, glue or messy add-ons. It replaces a separate badge reel, holder and badge buddy. Made for registered nurses in hospitals, clinics and long-term care.

KEY FEATURES

- **Format:** RN badge buddy and retractable badge holder in one, so there is no separate buddy to clip on
- **Label Size:** High visibility 1 in dome label printed with the RN title
- **Cord:** 34 in cord in a 1-1/4 in reel
- **Attachment:** Swivel spring clip attaches securely to scrubs, lab coats and other uniforms
