Country of origin	China

OVERVIEW

We've paired our matching "VISITOR" lanyard with vertical "VISITOR" badge for your visible and honorable recognition. The soft dye sublimated 5/8" lanyard has the title "VISITOR" pre-printed in white letters throughout the neck straps and has a safety breakaway clasp. Attached metal swivel clip holds a laminated volunteer badge that has a pre-printed header and design saying "VISITOR" with plenty of blank space for you to write (either with permanent or dry erase marker) your personal information. The sturdy badge clip can also hold keys or another credential holder to keep you hands free and ready to help others.

KEY FEATURES

- **Preprinted Dual sided for Immediate Use:** Professionally designed for instant visitor identification in various settings.
- **Enhanced Security:** Clearly visible lettering for easy identification, improving security and visitor tracking.
- **Durable Quality:** Made with high-grade materials for longevity and a professional look suitable for all visitors.
- **Personalize:** with dry erase or permanent marker
- **Versatile Application:** Ideal for corporate offices, educational institutions, healthcare facilities, and events, providing a universal visitor management solution.
