OVERVIEW

Keep lanyards, badge holders, and event credentials organized with this rotating tabletop lanyard display stand. The black coated metal rack holds 100+ lanyards in an easy-to-browse format, helping registration tables, retail counters, and check-in desks stay clean and professional. The 8-prong rotating spindle lets guests, staff, or customers quickly find what they need, while the built-in sign holder gives you space for pickup instructions, pricing, branding, or event messaging. Product media shows a 5 inch x 2 1/8 inch sign holder, 14 inch spindle width, 27 inch overall height, and 9 3/4 inch base.
