OVERVIEW

These 1 1/4 inch split key rings are heat-treated, lead-free steel rings for keys, tags, lanyard hardware, badge accessories, mini tools, luggage tags, and craft projects. The larger ring size gives more room than a standard 1 inch key ring for bulkier attachments and multi-item key sets. The split-ring design keeps items secured while still allowing keys, tags, straps, or small accessories to be added and removed. Heat-treated steel adds strength, hardness, toughness, and wear resistance for repeated handling.

KEY FEATURES

- **Heat-treated steel:** Built for added strength, hardness, toughness, and wear resistance.
- **Extra large 1 1/4 inch size:** Provides more room than a standard 1 inch key ring for bulkier attachments.
- **Split-ring attachment:** Holds keys, tags, lanyard hardware, badge accessories, mini tools, and luggage tags.
- **Pack Quantity Options:** 25 Pack (SPID-9240-Q25), 100 Pack (SPID-9240-Q100), 500 Pack (SPID-9240-Q500), and 1000 Pack (SPID-9240-Q1000).
