OVERVIEW

This is one of our best selling, most versatile slot punches. Easy-to-use for slot punching your ID cards, this slot-puncher has an adjustable guide to keep the slot centered. It also will round corners and do round hole punches with a simple slide lever adjustment. Offers three punches in one!

KEY FEATURES

- **3-in-1 Punch:** Round hole (1/4"), slot hole (1/8" x 9/16") for ID badges or name tags, and corner rounder (4mm radius).
- **Capacity:** Punches 1.0mm PVC/plastic cards or 20 sheets of 20lb paper.
- **Material:** Durable, corrosion resistant alloy steel punching device.
- **Easy to Use:** Adjustable knob switches quickly between the 3 functions; tabletop design puts less stress on hands than stapler style punches.
