OVERVIEW

The SPID-9760 is a yoke ID tag for cardiology stethoscopes such as the Littmann Cardiology III and IV. It clips onto the metal yoke, where the two ear tubes meet, so it stays put during exams and doesn't slide along the tubing. A white write-on tab comes with each tag (included, not attached): write a name with a marker and press it onto the tag face, or decorate the face instead.

KEY FEATURES

- **Fit:** Clips onto the yoke of cardiology stethoscopes such as Littmann Cardiology III and IV
- **Write-On Tab:** White name tab included, not attached; write on it with a marker
- **Hold:** Firm clip stays in place during exams
- **Colors:** Black or gray
