OVERVIEW

The SPID-9860 is a reusable red VISITOR badge on a credit card size PVC card, with a clothing-friendly clip already attached. Write the visitor's name, company or date in the white area with a dry erase marker and wipe it clean for the next guest, or use a permanent marker for a longer stay. The clip grips shirts, scrubs and lapels without puncturing them and swivels 360° so the badge hangs straight. The card is slot punched, so it can also go on a lanyard or badge reel.
