OVERVIEW

The SPID-9880 is a premium vertical 3-card badge holder with a retractable badge reel for hands-free access to multiple credentials. It is designed for people who carry standard CR80 ID cards, access cards, CAC/PIV credentials, swipe cards, or photo ID badges during the workday. The rugged hard plastic holder has an ABS back and frosted polycarbonate front. It carries one 30 mil card in the front window plus either two 30 mil cards or one 60 mil card in the back compartment.

KEY FEATURES

- **Holds three standard ID cards:** Carries one 30 mil card in front plus two 30 mil cards or one 60 mil card in back.
- **Rigid holder construction:** Badge holder has an ABS back and frosted polycarbonate front to protect cards while keeping the front badge visible.
- **Patented lever access:** Rear slide levers lift cards from the front or back positions for quick retrieval when needed.
- **Retractable reel attachment:** Belt clip and carabiner attachment secure to belt loops, pockets, straps, bags, and work gear.
