Category	Badge Holder
Weight	1.3 oz
Customizable	No
Country of origin	China

OVERVIEW

The SPID-9900 / 505-C1 is a nickel-plated steel belt clip key holder with an included 1 1/4 inch split key ring. The metal clip slides onto a belt or waistband, and the snap arm opens so keys, key tags, small fobs, or an ID badge attachment can be added or removed quickly. The steel construction gives this key keeper a sturdy, low-profile feel for everyday staff use. The nickel-plated finish helps resist rust and corrosion, while the spring arm snaps back into place to help keep the key ring secured during a shift.

KEY FEATURES

- **Nickel-plated steel clip:** Heavy-duty metal belt clip helps resist rust and corrosion during daily use.
- **Included split key ring:** Comes with a 1 1/4 inch key ring for keys, key tags, fobs, or an ID badge attachment.
- **Snap-arm retention:** Metal arm opens for quick access and snaps back into place to help secure the key ring.
- **Built for staff keys:** Useful for security, corrections, healthcare, janitorial, maintenance, fleet, and facility teams.
