OVERVIEW

The Genuine TEMPbadge T2005 is a one-piece ONEstep self-expiring badge preprinted CONTRACTOR, 1 7/8" x 2 7/8", sold in a box of 500 (part number T2005). How it works Write the contractor's information on the face of the badge, peel the inner liner, and press the badge together to start the one-day timer. Red lines appear gradually across the badge as it expires overnight, about 10 to 15 hours after activation, so yesterday's badge cannot be worn again. What you need Complete badge - nothing else needed.
