OVERVIEW

The Genuine TEMPbadge T2023 is a one-piece QuickTab self-expiring VISITOR badge, 2 5/16" x 2 13/16", sold in a box of 500 (part number T2023). How it works Write the visitor's information on the face of the badge, then fold the bottom tab under the badge to start the one-day timer. The badge displays VOID at expiration, overnight, about 10 to 15 hours after activation, so yesterday's badge cannot be worn again. What you need Complete badge - nothing else needed.
