OVERVIEW

The Genuine TEMPbadge T6205 is a 1 15/16 x 2 7/8 inch handwritten self-expiring badge front preprinted CONTRACTOR, with a 7-day timer, sold in a box of 1,000 (part number T6205, replaces legacy part number 06205). How it works Fill in the front with any standard pen, then attach it to a TEMPbadge badge back. Attaching the front starts the 7-day chemical timer, and red expiration bars develop in about 4-7 days, so anyone can see the badge is no longer valid. What you need A TEMPbadge badge back.
