## OVERVIEW

The XL35V is a clear vertical vinyl badge holder for oversized credentials, tickets, event passes, backstage passes, and VIP badges. It fits inserts up to 3.125" wide x 5.125" high, giving standard 3" x 5" cards room to slide in from the top. The flexible vinyl sleeve protects the printed insert while keeping the badge visible. The three flexible slot holes across the top work especially well with double-ended lanyards and single lanyards.
